

Every year, The Charles Sposato Graduate School of Education, Inc. requires all employees complete a 35 minute online/interactive Sexual Harassment Training session with Vector Solutions. Some information about the training is below.

The screenshot shows a web-based training interface. At the top left is the Match logo. The main header area features the Vector Solutions logo and the course title 'Sexual Harassment: Staff-to-Staff' in large white text on a blue background. Below the title, it says 'Full Course'. A paragraph of text explains that sexual harassment can have lasting effects. A 'Read Less' button is visible. Another paragraph explains why employers can't take harassment lightly. A third paragraph notes the course is for nonmanager employees. The bottom of the page shows a navigation menu with five items: Introduction (3 Minutes, Required), Defining Sexual Harassment (9 Minutes, Required), Sexual Harassment in the Workplace (5 Minutes, Required), Scenarios (16 Minutes, Required), and Final Assessment (2 Minutes, 80% required to pass, Required). On the right side, there is an 'Assessment Requirement' box showing 80% and a 'Course Details' section listing 'Total Course Duration' as 35 Minutes and 'Category' as Human Resources. A 'Resources' section at the bottom right states 'All resources will open in a new window.'

Sexual Harassment: Staff-to-Staff

Full Course

Sexual harassment can have lasting effects for individuals, organizations and the community, such as psychological trauma; a hostile work environment for employees; damaged reputations; negative publicity; civil liability and even criminal charges.

[Read Less](#) ▾

This is why employers can't take sexual harassment lightly, and employees should understand their roles and obligations if they experience or witness it on the job. This course is designed to provide employees with a basic understanding of sexual harassment and strategies to maintain a harassment-free environment.

This version is designed for nonmanager employees.
